Insane Workout An Outrageous 6 Minute Workout That Burns More Calories Than The Average Gym Session. A look at the Insanity workout -- the most challenging workout program on the market. Insanity is considered a "low-intensity workout" and is not marketed as a "fat-burning workout," but the program does have a reputation for burning fat and eliminating body fat.1. Field of the Invention The present invention relates to a hybrid type-transmission for a motor vehicle and more particularly to a traction control device therefor. 2. Description of the Related Art In a conventional hybrid type-transmission which is incorporated in a motor vehicle, an engine and a motor are each connected to the input shaft and the output shaft of the transmission through a clutch. A transmission control device is provided to determine an engagement condition of each clutch based on a driving condition of the vehicle and to control the engagement and release of each clutch. However, if the vehicle runs down a slope, a braking effect applied to the vehicle f3e1b3768c
