## Free Crossword Puzzle Maker

• Simple and easy-to-use interface • Generate, print and save a crossword puzzle • Printable image format (JPG, PNG, BMP) • Word, crossword and dictionary This application was not submitted to the App Store for review. ABCCrossword is a crossword game with mobile responsive interface. The game enables users to play crossword puzzles online. A crossword puzzle is commonly used to test language skills, vocabulary, spelling and listening skills, as well as test one's memory and mental ability. Word Search: Find words in the crossword puzzle by clicking on the grid. The app has 18 levels and multiple themes to choose from. Crossword Puzzles: A crossword puzzle is a grid of words, like jumbled letters or scrambled letters, which are then arranged to form words. Each word contains clues to help us find its definition. Dictionary: The crossword puzzle can have definitions and synonyms in the dictionary. Thesaurus: The crossword puzzle can also have words and definitions in the thesaurus. Compete: Compete against different players and find the highest score across all 18 puzzles. You will also be notified with a challenge for the next puzzle. iWord: Search the game for another words using iWord's built-in thesaurus, as well as their word search. Word List: Use this feature to add words to the word list. Random: Use this feature to generate a random puzzle. Save: Use this feature to save the crossword puzzle. Auto-Save: The puzzle will be automatically saved when you exit the application. How To Play: Tap on the desired crossword puzzle: Tap the word in the puzzle, the number on the opposite side will indicate the definition. (Don't tap on empty spaces) Tap the clue to advance and find the word. If you find the word successfully, tap on the cross to score points.

## What's New In?

- Easy to use interface for creating crossword puzzles - Print all your puzzles - Creates complex crossword puzzles automatically. - Crossword editing tools - Auto fill out blank cells - Generate standard words and words that can't be found in a dictionary - Create crossword puzzles of any difficulty - Smooth display and running - Create crosswords using multiple words and hints - Realistic looks and animations - Create crossword - Save puzzles for both mobile and desktop devices - Print crossword puzzles What's new in version 1.4 - New, convenient and easy interface - Multiple languages and puzzles - Different colours of crosswords - Ability to move and delete rows and columns Most Popular Puzzle Master Adventures is a basic and entertaining application that comes in handy only for those who want to design basic and more complex crossword puzzles that can be printed and resolved by hand. In order to make it easier for you, the tool is completely navigable and self-explanatory and with a minimalistic interface. It includes the usual simple and complex crosswords, clues to match, logic, fill-in-the-blank, and so on. The program has a variety of features that help you make your crossword puzzles complicated and various. You can also design basic crossword puzzles and save it in standard words that can be used as the crossword database to build another crossword puzzle, and it can also help you to design the complex crossword puzzles, which you can save and view. The design of crossword puzzles is very easy as you have two diverse tabs, namely, the Words tab and the Crossword tab. Here, you have to input the terms and hints in their corresponding fields. Also, for the simplicity of this application, you can select the number of random words and randomly selected crossword that the application comes up with. Some of the other advantages are that you can generate crossword puzzles of any difficulty, you can print the crossword puzzles, and you can also design crossword puzzles of different themes, such as a family, a theme, a particular food, technology, and so on. Apart from the five types of crossword puzzles, you can also create a variety of other puzzles for multiple ages, such as a birthday puzzle, holiday puzzle, rhyming words puzzle, and word search puzzle. Puzzle Master Adventures brings a new, intuitive and straightforward interface to
