See you Sincerely, Meme. the probative value of such evidence is outweighed by the danger of unfair prejudice. Thus, the only issue before us is whether the trial court properly exercised its discretion under section 352. Defendant argues the trial court should have excluded evidence of his prior arrests on the grounds of unfair prejudice, likelihood of confusing the issues, and the danger of misleading the jury. Defendant also contends that the probative value of this evidence is outweighed by its prejudicial effect. Defendant's argument is not persuasive. The evidence of defendant's prior arrests and the victim's testimony about the amount of money defendant possessed were reasonably relevant to the issue of intent. The trial court correctly decided the evidence had probative value. The potential prejudice was minimal because it was not directed toward any particular defense. (People v. Lindsay (1980), 86 Ill. App.3d 618, 622, 408 N.E.2d 416.) The trial court did not abuse its discretion by permitting evidence of defendant's prior arrests and the amount of money defendant had on him. Defendant next argues he was denied a fair trial because he was prevented from testifying concerning his treatment while incarcerated in other penitent

System Requirements For Sunrise Beach:

Mac OS X 10.7.5 or later Intel or AMD 64-bit processor 1GB RAM Intel HD Graphics 4000 or better 2GB available hard drive space 800MHz processor When I first reviewed the kit, I wasn't convinced it would run anything close to smoothly. As much as I enjoyed the kit and the sharpness it produced, I didn't think it would be able to scale to a higher resolution. I figured it would run the best on 1024×768, and I was right. However
