Kelly: [Verse 1] I wish them a happy birthday, 'cause every one deserves a gift, Mama, I pray it's not too late, 'cause I got the time to break, So I did it to show her, I had a friend for days, She thought I didn't know but I could see in her eyes, She had been there when I was blind and now she's helping me see, My best friend made me a promise, and he's going to keep it, I wish them a happy birthday, 'cause every one deserves a gift. [Verse 2] I'm the only one they can lean on, When the good life doesn't come it's hard to endure, When the good life doesn't come it's hard to endure, When the good life don't come it's hard to endure, When the good life don't come it's hard to endure, When the good life don't come it's hard to endure, When the good life don't come it's hard to endure, When the good life don't come it's hard to endure, When the good life don't come it's hard to endure, When the good life don't come it's hard to endure, When the good life don't come it's hard to endure, When the good life don't come it's hard to endure, When the good life don't come it's hard to endure, When the good life don't come it's hard to endure, When the good life don't come it's hard to endure, When the good life don't come it's hard to endure, When the good life don't come it's hard to endure, When the good life don't come it's hard to endure, When the good life don't come
