Is there anyway to install these language files into the existing language files without having to download the entire language files again? A: As I understood the problem, you want to add these languages to the system. For adding the languages which are already in the language-pack-files, see: So, in this case: sudo

apt-get install language-pack-zh-tw language-pack-zh-tw-base To add all supported languages, see: Sergio Canavero Sergio Canavero (born March 23, 1962) is an Italian neurosurgeon who studies techniques for the possible transplantation of the human head. Biography Canavero was born in Rome, Italy, where he attended the Centro Sperimentale di Chirurgia (Center for Experimental Surgery), an

institute in which he was eventually director. He attended medical school at Sapienza University of Rome, and achieved his medical degree in 1990. He went on to complete his residency in neurosurgery at the University of Parma. Canavero first became interested in head transplants in the mid-1990s after reading an article by Russian surgeon Vladimir Demikhov, in which he wrote that he believed that a

head transplant could be conducted safely. Canavero began his surgical training at the Surgical Department of the University of Genoa in 1994. The following year, he was appointed Head of the Department of Neurosurgery at the University of Genoa, where he worked from 1996 to 1999. He became a full professor there in 1998. Canavero co-founded the first research group devoted to head transplantation in the

world, based at the University of Genoa, in 2002. Since 2001, Canavero has become a consultant and clinical director at the Turin Institute for Advanced Study of Head Trauma in Italy, and an associate professor of neurosurgery at the University of Turin, where he was in charge of the 1cb139a0ed
