wonderful pastries from Victo's. I walked right over to it after my Irish coffee with a friend, and ordered a cannoli and a parfait. And, not to scare you, but it was absolutely fantastic. Like, really wonderful. The cannoli was like a spiced/cinnamon roll cookie with a soft interior. The parfait was a velvety chocolate custard, covered in spun sugar. I had to eat it in two bites, because it was that delicious. I ordered a cup of strong espresso, 6a5afdab4c

The DSLR Remote Pro Multi-Camera will allow you to set a number of parameters for all the connected Canon DSLR cameras you want from a single computer. There is support for Canon EOS, Canon EOS 70D, Canon EOS 800D, as well as third-party cameras, such as Nikon. The program is versatile and includes many options and can be extended by adding your own camera models. It supports various image formats, such as TIFF, JPEG, RAW, PDF, or BMP. The program can also work with RAW pictures, previously recorded images or photos taken on the camera itself. The software provides total control over the image sequence and supports multiple monitor views: a single image on the main interface or a live screen for
