In the first game and the sequel the player is given a starting angel power of two or three while some of the enemies have their angel powers of two or three; this has been changed in the third game, making it harder to get the best angel power unless you plan the boss fight carefully. At the end of the first game, the player either ascends to the position of God, or returns to Earth as a spirit. Skyrim: Edge of the Empire is a mod for The Elder Scrolls V: Skyrim released on November 21, 2015. The mod was initially released on the Nexus Mods website, but was later moved to the official Steam Workshop on February 25, 2016. The mod updates the core gameplay of Skyrim to an online multiplayer experience, allowing the player to join other players' games, play through the game world, explore the world, and defeat monsters in-game via the mod's hack and slash gameplay.
