and initialize it with a default value?  
struct Stuff { var stuff = 7 } var s =  
Stuff() s.stuff = "You got wrong!" In the  
code above, I have tried to add a new  
key, so i can return a default value. But  
the error will be "init(...) is not accessible"

A: With your structure, you should do it  
with computed properties. struct Stuff {  
var stuff: Int { get { return 7 } set { } } }  
var s = Stuff() s.stuff = "You got wrong!"
