Contributors explore how music can be used to gain support for a political candidate, or to discredit a political opponent. They explore how music can be used to entertain and to intimidate; to increase understanding or to be mystifying; to attract attention to oneself or to develop an emotional character. They also discuss how music can become political,

Insulin and glucagon have been separated by precipitation with a low temperature technique in which a mixture of insulin and glucagon is incubated at 0 degrees C or 4 degrees C in the presence of dithiothreitol.

---

The resulting supernatant contains the unbound hormone. This method is based on the differential effects of the dithiothreitol on binding of the two hormones to the receptor. Insulin and glucagon are separated by gel filtration and molecular sieve chromatography. If you live or work within 15km of the A2 in the Perth Hills, or you're planning to do some cycling in Perth in the future, then the A2/Belmont Road Stage is the shortest cycling race you will ever take part in. It's usually one of two things: unexpected or just plain bad luck. The 4.4km sprint race takes place at last light on Sunday mornings and if you live or work anywhere along the A2/Belmont Road — from Belmont to around the corner on the A2 — you are likely to be there. Stage race organiser Simon Smith said the decision was taken as part of the contract agreement between the A2/Belmont Business Association and Belmont Walyung

Hypothalamic hamartomas are rare benign tumours that develop in the region of the hypothalamic-thalamic eminence and constitute the most common cause of gelastic seizures. Most cases of these tumours are sporadic in nature. However, in a minority of patients, occurrence is familial (30% of all cases). In certain cases, these familial cases are associated with complex malformations of the brain, specifically hypothalamic-thalamic deformations, optic nerve atrophy, multiple porencephalic cysts and, less frequently, hydrocephalus. The present case report describes the particular case of a patient with a left-sided cleft palate, congenital hypothalamic hamartoma and lipodystrophy.). D. S. Novikov, Phys. Rev.
