This week's cover star, Robert Lewandowski, is a dynamic striker with the speed, dribbling ability and creativity to bring both offensive and defensive options to any team in FIFA 22 Activation Code. Whether it's from behind the arc, using his pace to split the defense, or on the counter-attack, Lewandowski is a true force to be reckoned with on the football pitch. As Robert Lewandowski, live on FIFA.com this week with FIFA 22's cover star, push past defenders and impress in a series of amazing goals, showcase his unique skill set on FIFA 22's cover star match vs FUT20 Team of the Year, Team of the Year 2018 and Team of the Year 2019. These videos showcase Lewandowski's dynamic skillset from an offensive standpoint - one-on-one, in combination with teammates and in combination with team play, as he drifts into space and creates dangerous on-the-ball situations for his teammates. In the second half of the match, you'll see how Lewandowski uses his speed and mobility to pounce on a fortunate turnover, which allows him to turn play around and score on his teammate with a chip shot - a technique that you'll see Lewandowski use in FIFA 22 gameplay. While The Cover Star lives up to his humble, man-of-the-people reputation, Lewandowski also discusses his favourite players and teams of all time, as well as what he's up to now in real life, and you'll see just how difficult Robert Lewandowski is to stop on FIFA 22. Be sure to check out Lewandowski's FIFA 20 cover on FIFA.com Spot Robert Lewandowski's cover star accolades on the FIFA Mobile App in the first-ever match-detail cover star match video, which brings you into the skin of the player like never before.
