## Glen Lewis House Avenue 5 Extra Quality

Lemke Park has an outdoor skating and hockey rink, a warming house, picnic tables, an indoor shelter space available for rent in the summer, a playground and recreational trails. A project of the Urban Woods & Prairie Initiative with Audubon Dakota, Lemke Park is a Conservation Area and provides plenty of opportunities to see birds and other wildlife in a natural setting along the banks of the Red River. Lemke Conservancy provides woodlands and wetlands to be explored within the park. The Crystal Theater owners have announced that the theater will be showing a free 8 a.m. matinee of Gold Afternoon on Friday, July 20 as part of the annual summer celebration at The Crystal. Glen Lewis House Avenue 5 Corner of Main and Hovey streets, Main Street. This park is less than a mile from the corner of Main and Hovey, and is a little over a mile from Metro Medical Center and Family Medicine Associates. Like most of the City Square offices, this one is on a fairly busy corner, with the main difference being City Square is on a diagonal and this one is on a right angle (no thanks to the City, and to the frustrating City official who thinks you should be able to drive like you're going to our houses and to the houses of others ). If you have a problem with people driving like they are going to their own house, make City officials contact City Safe Headquarters. Long island is home to a group of parks called the Parks in Parks campaign, which have been called the most sustainable community park development project in the country. Over 150 of these parks in more than 30 towns have been established in the last four years with another 80 parks scheduled for completion in 2019. One of the parks in parks is Baywood Park, which was closed to the public for filming at Glendale Lake. The park is open to the public daily 7 am to 9 pm through the end of summer.
