## Tekken Tag Tournament 2 PS3-DUPLEX

---

tekken tag tournament 2 is a must have for any tekken fan. with more than 60 characters, more dlc content and new features for the ps3 and xbox 360 versions of the game, this is the definitive version of tekken tag tournament 2 available! namco presents us with the opportunity to experience the world of tekken, offering not only an expansive roster of characters, but more ways to play than ever before, whether in the single player offline mode or in the battle modes. and thanks to the wii u gamepad the player can add a new dimension to the gameplay by utilizing the gamepad to add or edit a character, control their moves, or view various statistics. as with the

---

previous version of the game the online matches were hosted by sega, and is the only way to access the forums and challenges. however, the number of games available and the actual server stability are good on both the ps3 and 360 versions of the game. fight as your favorite cast of tekken characters, wacom, and accessories in the ultimate combat experience. with the most advanced fighters with the biggest attacks, greatest combos, and most advanced game mechanics, this is the perfect fighting game. namco never fails to entertain us with their enduring popularity of the iconic franchise, tekken tag tournament 2, always stay the test of time and

---

proves once again to be the best in the genre. in our review we aim to have a closer look at the game and to see if the the wii u version is any better than its previous incarnations on the ps3 and 360. we also hope to see some footage of the new game modes, fighter modes, skins and online. all in all we enjoyed the game and the ease of connection on the new game mode.

## **Tekken Tag Tournament 2 PS3-DUPLEX**

tekken game has been proved as a great series. tekken tag tournament 2 has been released in the market.

you can buy it only through the playstation store. the story of the tekken series has shown a splendid story telling with many talented game developers. tekken tag tournament 2 brings more things for the players to enjoy. well, the fans are very excited for this tekken tag tournament 2 ps3 game and is waiting for this game to release. if you like to play the tekken game, you can buy this game through the

---

playstation store and experience a variety of the fighting styles. in the tekken tag tournament 2 game, you will enjoy to play an excellent fighting game and an entertaining game. the game lets you get a splendid graphics. you can see different styles of the fighting. - beat the competition with up to three friends using the same console to fight as one player in online modes. players have the ability to have a tournament, one-on-one or even a single-on-seven-players melee. the wii u edition of tekken tag tournament 2 looks and plays pretty well, although the audio can be a little bit patchy in places, which makes it easy to miss some of the in-

---

game action or the character's verbal taunts. which is a shame, because the game's soundtrack is some of the most memorable from any fighting game in recent memory, with incredible tracks that instantly bring to mind the various series' memorable music. the result is that this is a game which is extremely replayable. but this isn't a completely smooth ride. apart from the in-game audio being a little bit jittery, there were a few instances where the game exhibited a loss of frame rate. visually, there were a few issues here and there, which include some shadow quality - often soft and bordering on the blurry - that doesn't really look like it fits in with the

---

modern era of fighting games. if you're looking to play tekken tag tournament 2 on the wii u, there's not really much point in picking up the game. 5ec8ef588b
