after learning how to conjure balls of chakra, naruto and his companions can use the orbs as improvised body parts, [16] making them lightweight and camouflaged to potentially evade detection. [17] in addition, the orbs appear to possess limited physical strength. [18] additionally, the orbs cannot be used during the infinite tsukuyomi. [19] [20] [21] this series is so influential that it is the word "naruto" that has become a generic term for ninja, such as "naruto ninja" or "naruto ninjas." although the word has appeared in other media, one of the anime's distinctive characters is naruto uzumaki. naruto is a character who seeks adventure. he is a ninja who fights in a very extreme battle field of the village of konoha. the term "team" is the key to finding a good game. team levels are determined by the three "t"s, teamwork, training and tactics. good teamwork is the most important element and tactics is just about game strategy and knowledge of what to do in a given situation. the boss and rival of naruto, sasuke, also happens to be one of his most vicious foes, yet naruto himself is a natural

born fighter. he doesn't care about what others think of him. when sasuke is injured, naruto wanted to kill him, but instead was forced to work with him for a while. after sasuke fell into depression, naruto agreed to help him come back. his actions against sasuke earned him the title of the hokage of konoha, and later he would one day receive the title of the seventh hokage. naruto's speciality is his intelligence and fighting techniques, also his kawarimi. he easily uses techniques called, "eight gates", "naka no jutsu" and "shuriken" easily, which are called "rasengan" (eight gates release), "tailed beast chakra mode", "chidori" (rain release) and "shuriken" respectively. he has also mastered the "rasengan" technique. he is shown to have mastered over 100 ninjutsu and several taijutsu, as noted in the manga. 5ec8ef588b
